

**MINUTES OF THE RIFLE AND PISTOL RANGE
BOARD OF MANAGEMENT MEETING
AUGUST 15, 2006**

Board members present: Freddy Haltom, Joe Basham, Joe Compton, John Krenik and Bill Cooke.

Club members present: Fran Compton and Rick Pierce.

1. Freddy Haltom brought up the proposal to recruit 10 to 20 board advisors to get a broader perspective in decisions facing the board. It was agreed that the advisors would be a great help in decision making.
2. The guest policy concerning the numbers of occasional guest per year for each member was brought up by Freddy Haltom. After much discussion it was decided that the old problems that had instituted the current 2 guest per year rule had disappeared and we could go on with a new ruling. Effective immediately each member can have 2 occasional guests per visit with the proper fee payment and supervision according to the guest policy.
3. There were general discussions on Range Care, the Academy table, Bullseye range work, Swap Fest on September 17, 200 yard range buzzers and work day and range care notices to members.
4. It was reported that the rifle range account balance was \$10835.00
5. It was agreed that no more membership cards would be issued to family members other than spouses. This was done as a courtesy to those family members that fit in the 18 year old or under 21 for student within the house hold category. This has created many range safety problems. Those in that group will have to be accompanied by the adult card holder while on the rifle range or have their own membership.
6. Meeting adjourned.
