

**MINUTES OF THE RIFLE AND PISTOL RANGE  
BOARD OF MANAGEMENT MEETING  
NOVEMBER 21, 2006**

Board members present: Freddy Haltom, Joe Compton, John Krenik and Bill Cooke.

Advisory board present: Pete Campbell, Brian Hendershot, Fran Compton, Gary Long, Chris Disley, Jeremy Jackson, Barrett Smith, Gary Brednick and Rick Pierce.

Members Present: Mike Conry, and Bill Pickering.

1. A summery was given by Freddy Haltom on the written range evaluation report from the NRA. It was noted that the majority of the safety issues had been addressed and completed or are in the process of completion. ( reports are made available by request )
2. There had been a proposal to contact the members and take offers on the steel tank. As of this meeting only one offer had come in. Another motion was made by John Krenik that Freddy Haltom (rifle range supervisor) dispose of the tank as he thought was best. It was seconded and unanimously approved.
3. There was some discussion on the emergency contact signs we have in looked into posting on the range. The subject was tabled until the range safety officer class coming up was finished. The class would cover such items in the NRA training. Pete Campbell (rifle board advisor) has contacted the emergency services to get the rifle range location correct in case of an emergency call need.
4. The issue of the berm erosion on Range A1 was address. There will be a need to repair the 25 yard berm some time in the next year. The charge was given to the board and advisors to come up with a plan of action for repair of the berm.
5. Meeting adjourned.
